

# IRON-A-WAY®

## Built-In Ironing Centers

# AL-42

IRON-A-WAY's Model AL-42, with its universal design can adapt to everyone in the household. Product features comfortably meet the needs of the person who prefers to stand while ironing yet they are installed to meet the accessible reach requirements for someone who will be seated. The result is a product that exemplifies the possible changing needs of the homeowner over a lifetime.

The center features a spring activated fold-down ironing board for ease in lowering the board. The 90 degree left/right swivel board with a 4-inch height adjustment along with a lower or upper hot iron storage compartment accommodates people who choose to sit or stand while ironing. A built-in work light, digital timer, safety disconnect switch, hot iron rest, additional storage shelves, electrical cord wrap and garment bar are added standard features completing this unique universally designed ironing center.
