

IRON-A-WAY®

Built-In Ironing Centers

** All units can be provided with a left hinge upon request. Right hinge standard.
 **** Door Hardware not included.

A-42

The Model A-42 is skillfully designed with a 90 degree left/right, industry standard 42-inch, ventilated steel swivel board, giving flexibility in confined areas like corners in the laundry room or kitchen. The industry standard 42-inch, ventilated steel spring activated swivel board is easy to raise and lower and includes a 4-inch height adjustment which automatically returns to its normal ironing board position every time the board is put away.

The solid-state silent timer, premium sized hot iron storage compartment, built-in work light, storage shelves, electrical cord wrap, and on/off indicator light are the outstanding standard accessories that complete this ultimate ironing center.
