

Iron-A-Way®

Managing space with style®

Space Saving Surface or Flush Mount | IAW-42

A specialty ironing center with sleek design, the IAW-42 features a 42-inch fixed position ironing board inside a cabinet crafted with unmatched quality. When access inside studs is problematic, this model is intended to be surface mounted directly to a stud in the wall. This unit can also fit between the studs for recessed mounting providing a flush or nearly flush appearance depending upon installation. The IAW-42 is designed and crafted with the same quality materials as other Iron-A-Way models without hot iron storage and is ideal for installation with a nearby electrical outlet and iron storage.

What's Included?

- 42" Ventilated Metal Ironing Board with Cover/Pad
- Garment Bar
- **No Hot Iron Storage Area**

Specifications

Outside Dimensions: 14 1/2" x 51" x 3 3/4"
